Dee:

This is my response:

“Our Supreme Court is shameless beyond characterization. After all this time, this was the best they could do? And of course, Justice Crooks’ blatant conflict of interest is dare not mentioned a single time. For reasons that the Supreme Court knows, their decision is my legal demise. Luckily for Raisbeck and a few others, I overcame Kangaroo Courts. I could not overcome my own. However, our bitterly partisan Supreme Court has proved that they could unite against a common enemy, me. The honor of the Wisconsin Courts has been upheld.”

I would appreciate it if you would print it in its entirety.

Dear Lester and Joe:

I will be contacting you Friday morning for reaction to whatever decision the court has made in these cases. What is the best way for me to reach you on Friday morning?

Sincerely,
